## Reporoa College: Connecting with its community

Monday 22th June

Dear Parents/Caregivers,

We are heading towards the end of the second term and I wish to thank you all for the support we have received on the return to school after Lock down. Currently mid year reports are being prepared for all students and will be emailed out by the end of the term. Please contact us if you have not received these and we will post them to you. These reports will indicate your child's current progress for the year. We will be holding our subject teacher interviews early next term. More information will be sent home regarding appointment times and logins however keep the following dates free Seniors Wednesday 22July, Juniors Tuesday 28th July

I wish to remind you that if you have any concerns about your child's learning please do not hesitate to contact your child's teacher to discuss your concerns.

Do not leave it to the mid year interviews as we will endeavour to address those concerns.

We have been invited as a college to be part of the **Lunch in Schools** programme, an initiative run by KidsCan, which will provide free nutritious lunches for all students. This is such an exciting prospect for us and we are aiming for this to begin in Term 4. We are also in partnership with the KidsCan charity so please support their sponsors as much as you can as they provide food, clothing and health & hygiene products to students in school.

I would also like to acknowledge the Rotorua Lakes Rural Community Board for their contribution to replacement of the school fence. This project will be commencing in the next couple of weeks and will improve the safety and appearance of the school.

Thank you also goes to Bruce at Valley Traders and the local posties Kevin, Joss and Jonathan for your help and support in getting all those devices out to families during lockdown.

Another thank you must go to Kerry Pearce for all his hours spent supporting the upgrade of the swimming pool.

It has been great to see the start of school sport again with the basketball competition up and running on Wednesday and Thursday evenings in Rotorua. The netball, badminton and Indoor Bowls teams have also started training in preparation for next term's competition.

Good luck to the following Year 8 students heading off to Hillary Outdoors in the Tongariro National park this week Zara Pearce, Tyrone Brown and Isla Aoake. This will be an exciting week of adventure including caving, climbing, abseiling and kayaking.

Take care and have a great week
